

15 Benefits

of Joining One Acre Farm's CSA Family

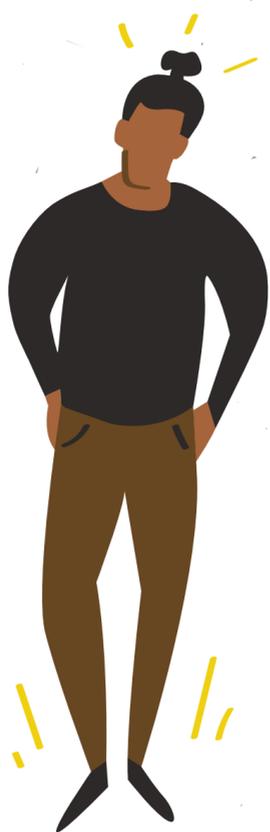

Your CSA share

1. You receive a weekly selection of fresh, seasonal, locally-grown vegetables.
2. Joining the CSA will provide you access to fresher produce than you can find at a store, and at a lower price, thanks to the direct farmer-to-community connection.
3. We grow your food year-round, offering farm-fresh vegetables in all 12 months. We offer shares across all four seasons.
4. Joining our CSA means you'll get a nutritious diversity of vegetables throughout the season. We pick whatever is in season, fresh, and looking beautiful on the farm.
5. We offer seven different pick-up locations around the DC area during weekdays for your convenience. Your share will be pre-bagged and waiting for you at your select pick up location

How big is a share, exactly?

A small share has 6-8 items, and a full share has 10-12 items. Think 1 or 2 grocery bags worth!

8. CSA members get special access to tours of the farm, so you can see exactly how your food is grown.
